

TALK POINTS

Suggested discussion questions for conversation.

1. How much more money would it take for you to alleviate your financial worries?
2. Respond to this statement "More money does not generate more self-control, discipline, or contentment." How does that challenge your assumptions and behavior when it comes to your money?
3. Read Luke 12:16–21. How do you tell the difference between planning financially for the future in a healthy way and hoarding money for your security and consumption? Is there such a thing as being too generous?
4. What is one thing you can do this week to begin to trust God with your finances, to live as though everything you have belongs to him? How can this group support you?

We're glad you decided to check us out this morning. We hope you find what you are looking for. We're really curious as to why you decided to visit:

I'M BACK FOR MORE

It will be great to know that you wanted to take another look. We're just as curious about you, as you are about us. What was it about Hope CC that appealed to you?

I ATTEND HERE OFTEN

So you love us, but you're not "in love" with us. We get it. If you have any questions, about anything, let us know.

I'M JUST PASSING THROUGH

Just visiting grandma? On a trip? Spying from another church? We won't bug you, but let us know you dropped in.
