## TALK POINTS

*Suggested questions for deeper discussion!*

1. Who is someone in your life that has stood by you in good times and bad?
2. Talk about a time when you saw someone suffer because of his or her relationships. What happened?
3. Read Proverbs 13:20. Who is a person in your life whose wisdom you rely on? In what ways have you seen his or her wisdom rub off on you over time?
4. "Judgmental is when I draw a harsh conclusion about you. Good judgment is when I draw conclusions about myself based on wisdom." To what extent has not wanting to be judgmental drawn you into unhealthy relationships in the past? How do these definitions of judgmental and good judgment change your perspective?
5. Do you have a relationship that could benefit from guardrails? What can you do to begin to establish guardrails? What obstacles will you have to overcome? How can this group support you?"
